ORDER

LEWIS A. KAPLAN, *District Judge*.

1. In order to give appropriate attention to the formulation of the jury charge in this case, the parties shall serve and file requests to charge on or before March 16, 2018 and responses and objections to their adversary's or adversaries' requests to charge on or before March 30, 2018. Chambers shall be provided with electronic files of all requests to charge in WordPerfect format.

2. The requests to charge contemplated by this order are only substantive charges on the law; there is no need to file requests with respect to such matters as evaluation of evidence, conduct of deliberations, and similar matters that are common or substantially so to most criminal cases.

3. Defendants shall make joint filings except to the extent there are substantive differences among them.
